

# 2010-2011 Kindergarten

Immaculate Heart of Mary School has asked the Catholic Schools Office for a change in our charter to include a kindergarten program for the 2010-2011 school year. If you are interested in enrolling your child for kindergarten in 2010-2011, please complete the attached sheet and turn it in to our school office as soon as possible.

The following issues are undecided at this point:

- Full time or part time classes, or both
- Cost - we do know that the kindergarten must be self supporting
- Transportation - public schools may provide busing
- Class size of twenty students

At this point in time this is what we know:

- To be eligible to attend the child must be 5 years old by August 1, 2010
- Two rooms will be dedicated to the kindergarten, located in the Annex

Complete the attached form and you will be contacted with more information as it becomes available. Thank you for your interest in our school!
